| NV   | SANTERO PROSECCO, GLERA                           | PIEMONTE, ITALY      | \$20 |

## Skin contact & Orange

Skin contact wine, or orange wine, is made from white grapes fermented with their skins, giving it a deeper colour, tannins, and a more complex, textured flavour.

|      |                                                       |                     |      |
|------|-------------------------------------------------------|---------------------|------|
